V - INVOLVED SCHEME FIGURES AS AT 31 MAR 2011

1. As you are aware the scheme closed as of 31 Mar 11, and the unit totals gained are shown below. Congratulations to those units that participated, and enabled their cadets to gain an award that will assist their CV's. There is no award or trophy or unit certificates but the knowledge that your cadets have received a recognisable national award. Those that did not participate - you cadets lost out.

2. The V - Inspired scheme however is still running under their web site (search for V-Inspired) and is a much more watered down version where candidates over 16 can get an e certificate for the scheme for 50 and 150 hours). It is not supported from the ATC and as such that matter is left to the individual concerned,. Any queries for the new scheme should be addressed to the web site not the undersigned. All references to the V scheme will now be deleted from the Wing web site, and the title of the undersigned.
